

# REVIVA LABS SKINCARE FOR UNEVEN SKIN

Life happens—whether it's sun exposure, blemishes, or hormonal changes, these factors can leave your skin tone uneven and your texture rough. Fortunately, Reviva Labs has you covered. Our expertly crafted products work to brighten, smooth, and refine your skin for a healthier, more radiant complexion.

## CHARACTERISTICS OF UNEVEN SKIN?

- Skin tone is not uniform
- Areas of discoloration or spots
- Skin texture looks and feels rough

## Your Reviva Labs Routine for Uneven Skin:

### Step 1: Cleanse with Glycolic Acid Cleanser (#185)

Gently cleanses and exfoliates to prepare your skin for brightening treatments.

### Step 2: Tone with Glycolic Acid Toner (#184)

Balances skin's pH and enhances the benefits of brightening products.

### Step 3: Brighten with Dark Spot Brightening Serum (#593)

Reduces the appearance of dark spots and discoloration, promoting a more even tone.

### Step 4: Hydrate & Brighten with Multi-Factor Brightening Crème (#985)

Visibly improves uneven skin tone and texture while deeply hydrating.

### Step 5: Renew with 10% Glycolic Acid Crème (#383)

Smooths rough texture and enhances skin's radiance with gentle daily exfoliation.

### Step 6: Care for Eyes with Firming Eye Serum (#368)

Brightens, firms, and reduces puffiness around the delicate eye area.

### Weekly Boost: Gently Exfoliating Fruit Enzyme Mask (#611)

Gently removes dull skin for a refreshed, glowing complexion.
